

ArmoredPatrolHero admission of guilt

On the 17th October 2022, ArmoredPatrolHero confessed to all the claims in the document and more. We request that he is not harassed, despite his actions, as he wishes to get his life back on track. ArmoredPatrolHero was questioned by senior 1RTR representatives starting on the 16th.

Initially denying all allegations, ArmoredPatrolHero began to realise the gravity of the situation. After some of his close friends joined in, he admitted to owning the accounts Kathy and Katelyn (mentioned in allegations in the [original document](#)) and apologised in private for his actions.

ArmoredPatrolHero is now in the process of reformation and is now in talks to go into psychiatric care and therapy to get his life back on track. We respect and support this decision and we believe it is the best way going forward.

The further contents of this document includes decisive evidence of the wrongdoing of ArmoredPatrolHero, the names of those who helped him and the evidence to prove as such.

Thank you for your understanding and support and of course a special thanks to the men and women of the 1st-RTR for strategic support.

I already am trying to put it in clear terms, that I messed up with the kathy account and fucked up a ton of stuff.
I made bad choices.
I fully take responsibility

Ok. So you admit you were both Kathy and Katelyn. Meaning that when you said, very recently mind you, that Katelyn was into me.
That has some... interesting implications
